****If complete confidentiality of your ballot is important to you, print this ballot and mark it without affixing your name and birth date. Seal it in an envelope and place that envelope in a second envelope with a note indicating your name and birth date for verification purposes, and then mail. One person will validate the ballot, and a second will count the votes to assure complete anonymity.**

For information on candidates, consult *St. Louis Metropolitan Medicine*, September/October, 2009, pp. 10-14.
