The Voice of Medicine
For Metropolitan St. Louis

St. Louis Metropolitan Medicine will help you reach an exclusive audience
of involved physicians who are leaders in their profession

About St. Louis Metropolitan Medicine
St. Louis Metropolitan Medicine is the official publication of the St. Louis
Metropolitan Medical Society, one of the oldest and most respected medical
societies in the nation. The magazine has been in continuous publication since
1880.

With each issue of St. Louis Metropolitan Medicine, you reach 1,700 member
physicians in the St. Louis area. Our members are respected as leaders among
their peers.
